

The Obesity Guideline reviewers

The SAMJ would like to extend its sincere gratitude to all the reviewers who dedicated their time and expertise to this special issue.

Your insightful feedback, careful critique, and valuable suggestions were instrumental in shaping the quality, clarity, and clinical relevance of the guideline. This work has benefitted greatly from your contribution, and we are deeply appreciative of your role in strengthening the evidence base for obesity care in South Africa.

Ankia Coetzee, MB ChB, MMed (Int Med), FCP (SA) Cert Endo & Metab (SA), PhD 

Division of Endocrinology, Department of Medicine, Stellenbosch University
